

WE ARE HIRING!

Are you a dynamic, innovative IT Specialist who has the ability to collaborate closely with various stakeholders in a fast-paced environment while juggling multiple projects and priorities?

TSIBA Business School is seeking a part-time IT Educator to assist with the initial design work for our proposed Diploma in Information technology.

To qualify for this opportunity, you are required to have the following;

- Completed Diploma, Advanced Diploma/BTech and Honours in IT
- Completed or studying towards a Masters degree in IT
- At least 3 years teaching experience with Diploma in IT students
- Experience in IT-related work integrated learning
- Excellent communication and reporting skills
- Excellent professional networking skills

Required for:

- 1 month contract immediately with an option of 1 year fixed term contract thereafter.

Should you be interested in this incredible opportunity, you must align with our commitment to excellence, innovation and social impact, as we actively seek ambitious, purpose driven and emerging business leaders who want to take South Africa forward.

To be part of this dynamic organisation, please send a 2 page CV with motivation letter to hr@tsiba.ac.za:

Closing Date for Applications: 23 September 2022.

If not contacted within 14 days after the closing date, please consider your application unsuccessful.
